

WIDOWS SONS TRADEMARK CHALLENGE COIN

A NEW COIN FOR A NEW BEGINNING

Masonic challenge coins have been around for many years, as long as the Freemasonry fraternity itself, which some believe began in the early 18th century. Members of the fraternity have carried unique coins, called "mark pennies", as proof of membership since the early days of Freemasonry. Masonic challenge coins serve as symbols of honor, integrity, and the values of Freemasonry. They also allow members to identify their status and connect with others in their fraternal groups. Masonic challenge coins are used for a variety of purposes, including: *Initiating New Members*; *Celebrating Special Occasions*; and *Recruiting Prospective Members*.

Widows Sons Louisiana brings you this beautiful Challenge Coin for the Widows Sons Masonic Rider. Representing all that it means to be a Branded Brother and a Master mason, it makes a great gift to the new Lodge Member. It is a great memento for any member of this riding brotherhood, showing that you were raised a Master Mason, but you were Branded a Widows Son!

Coins are \$15 each or 2 for \$25.
Shipping & Handling \$5 each.
